Bonus Group Lessons

Piano Olympics Opening Ceremony

Whether or not you missed a lesson this quarter- come take advantage of the bonus group lesson! There are **no** regular lessons the week of group lessons. Our theme this year is **Piano Olympics**. We are kicking off our theme at the October group lesson with a Piano Olympics Opening Ceremony and Games! Students will receive a Piano Olympics workbook (included with tuition). Make sure they show this to you. The program for the year and what they will be working on will be explained in this workbook. Don't miss out!

Please let me know what session you prefer below. If I don't hear from you then I will assume any will work, and will choose the session for you. In the event you cannot attend when your age group is held, or you prefer to have siblings together, you ARE allowed to attend the other group, just let me know in advance.

Group lessons and music workshops are for students only due to limited space. Parents can drop off their child and run errands etc... during this time.
